

Dear Sponsors,

The continued success of the Canadian Burn Symposium meeting is due to a combination of excellent speakers, dedicated participants, and enthusiastic exhibitors.

With this in mind, we welcome you to join us at the CHUM - Montréal.
Saturday, December 4- Sunday, December 5, 2021.

The Canadian Burn Network is the yearly hub where all Canadian Burn Directors and their multidisciplinary colleagues (Plastic Surgeons, Trauma Surgeons, Nurses, Researchers, Psychologist, Physiotherapists, Researchers, Nutritionists, First Responders) interact and meet challenges in the burn community.

This year's topics include:

- Practical tools to help address acute psychosocial stressors faced by health practitioners
- Mental Health and Well-being for the health provider
- Prevention to first response
- Social Integration – Beyond the Burn
- Clinical Cases (Complications vs. Amazing achievements)
- Game Changers to Improve Care
- Breakout sessions for physical/occupational therapists, nursing and researchers

We hope you will join us for this unique two and a half day educational program and encourage you to reach out to us, as exhibitor space is limited and priority is given to those that commit early.

Best regards,
